

League social distancing Guidelines

- Mask Is required
- Single Cart (There may be an additional Cart Charge at some Courses)
- Social Distancing is required
- Pin is not to be removed
 - there is a metal insert inside the cup
 - If your ball touches any part of the hole, insert or flag – it is “In” Not rim outs
 - Be sure to agree within your foursome what is in and what is not in....
 - Short Gimmies are allowed.....
- If we are using shotgun start – park your cart away from the main entrance grouped with the other players in your foursome only. Do not be roaming around the parking lot. We are prohibited from gathering as a group especially in parking areas.
- Competition PIN Money – we will not collect pin money as a group BUT each foursome is to agree on your wagering and collect appropriately. Unless the pairing announcement provides a method of competition (Better ball partners, low net score etc.) then each foursome can determine what they want to play (If any).
- Please let me know when you have arrived and are ready to play golf. So, I can check you off the list insuring that everyone has arrived and Paid.
- PLEASE arrive early to the course – so there is sufficient time to “pay” get the foursome together and be ready to play. DON’T show up 15 minutes before tee time.
- Payment method will vary between courses. Some require exact cash. some will require you to go inside to pay via CC or Cash (Maintaining social distancing). I will let you know the method when I email the pairings. Make sure you do pay...
